

Many Different Voices

Worksheet

March 2021

DSDHA

Worksheet 2

Improve the public realm

Lambeth's streets are changing due to pressures such as Covid-19, the climate crisis, and a growing population.

Use your creativity, local experience and ambitions for the future to design an improvement to the street in the following location:

Ferndale LTN

1b) Pullross Road Traffic Filter (area outside Papa's Park)

What we are looking for:

Use the design principles, set out in the Many Different Voices workshops below to ensure your design is ready for the real world.

Your design can be anything that makes the street a better place for all, your imagination is your only limitation!

To present your design you could use Sketch-up, Street-mix, Powerpoint, a scan or picture, a collage, a screenshot/ screen recording from games like Minecraft.
