

Works update notice – utility trial holes, Chilterns Area

December 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inbucksandoxfordshire.co.uk

What are we doing?

As part of our preparatory works, we are continuing with our Ground Investigation (GI) and utility works. As part of this we need to carry out some utility trial holes. Some of these works will need to be carried out on or adjacent to the carriageways in the area, therefore there are some anticipated dates that some short duration traffic management will need to be in place.

When will these works take place?

The works will commence from November and continue into January 2021.

Below are the locations and intended dates of where and when the traffic management and diversions will be in place.

1. A413 London Road – 14.12.20 – 18.12.20
2. Bacombe Lane – 10.12.20 and 14.01.21
3. Ellesborough Road – 15.01.20 – 22.01.21
4. Old Risborough Road – 11.12.20
5. Risborough Road – 07.01.21 - 19.01.21 (Works to be completed overnight)
6. Rocky Lane – 09.12.20 and 18.12.21

The timings of the works may differ depending on what we find as well as other external conditions such as the weather. We will work to reduce disruption where possible.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
