

## Notification

# Notice of ground investigation and pump tests at Chesham Road vent shaft site, South Heath

July 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

### Ground investigation surveys

As part of the ongoing ground investigations works along the tunnel route, we will be returning to Chesham Road vent shaft site in South Heath to carry out further works. These ground investigation surveys will help us make sure that the land is suitable for the structures that we want to build. To do so we need to drill small holes into the ground to extract samples of the soil for testing using drilling rigs which are small enough to be towed by a typical off- road vehicle.

Any Public Rights of Way will be maintained wherever possible, however whilst works are taking place access will be managed by on site staff with signage and traffic marshalling for pedestrians.

### How will this affect me?

If you live near to the test site, you may become aware of a small team of operators working the machinery, and you may hear some drilling noise during working hours whilst the investigations are taking place. There may also be a need for some local fencing to be installed around the works, depending upon their proximity to Public Rights of Way.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

August - September 2020

Monday to Friday  
8am – 6pm

Saturday 8am – 1pm

Our contractor will be on site for start-up and shut down for one hour either side of these times

### What to expect

Some noise from equipment used for these works

### What we will do

Manage any impacts, such as traffic and noise with the aim of reducing them wherever possible

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
