

Working on
behalf of

HS2

Notice of works at the former National Temperance Hospital site

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at: **HS2inCamden.co.uk**

Surveying works from 30 June to 20 July

Before we prepare our site at the former National Temperance Hospital for the station enabling works, we will be carrying out surveying works within the area.

A survey rig will be set up in different locations around the site at ground level. A sensor is carefully inserted into the ground at each position. Data from the sensor is reviewed to ensure that we can safely carry out the site setup.

Enabling works from 14 July to 29 September

So that we have a stable base to carry out construction, we will install a working platform (piling mat) before we begin the main construction works later this year.

The piling mat is made of recycled material (such as cement) which we will lay down and compact.

The material will be transported to the site by road and will be compacted using a roller.

Ten existing steel supports within the site will need to be moved to make way for our future construction works.

We will carry out these activities as quietly as possible and do all we can to reduce the effects of our works on the local area.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Surveying works will take place from 30 June to 20 July

Enabling works will take place from 14 July to 29 September

Working hours

8am to 6pm weekdays (excluding bank holidays)

8am to 1pm Saturdays

We will start-up and close-down activities up to one hour before and up to one hour after normal working hours shown here.

Activities will include deliveries to the entrance on Hampstead Road, unloading, maintenance and general preparation work.

It will not include operation of plant or machinery likely to cause a disturbance

Notice of works to set up the former NTH site

Notification

A staff welfare accommodation block will be assembled at the point marked 1 on the plan below in the week beginning 29 June.

It will be located next to the existing block and will be three storeys high (approximately 8m). This additional welfare accommodation block is needed so that our team can maintain social distancing because of COVID-19.

From July to the end of September we will build the piling mat in area 2 on the plan below.

The ten steel supports that need to be repositioned are within area 3.

Contact our new HS2 Helpdesk team

Our new Helpdesk team is based in our Head Office in Birmingham. This is so that we can provide you with the best service possible. Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
