

# Notice of utility surveys on Arlington Road

December 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under constant review.

## Drainage surveys on 17 December

On 17 December 2020 we will be carrying out drainage surveys in the Cavendish School grounds on Arlington Road. The surveys are planned to take place during the day from 8am to 6pm. We will use a camera to investigate the condition of the drainage system and may need to flush the drains using a high-pressure water jet. Your utility services will not be affected.

A temporary lane closure and parking bay suspensions will be in place on Arlington Road. There will be temporary traffic lights on Arlington Road and the junction with Parkway. A map showing the location of these temporary changes is included below.
