

We would like to invite you to an event about our Adelaide Road site

High Speed Two (HS2) is the new high speed railway for Britain.

We will be holding an online information event on 25 February 2021 from 6:30pm to 8pm to talk about our site at Adelaide Road in Camden.

At this event you will find out more about:

- **your local engagement team**
- **current and upcoming works at our Adelaide Road site**
- **measures in place to minimise disruption to our neighbours**

Our team of experts will provide a presentation at 6:30pm. Following this, you'll be able ask any questions you may have about our works.

Join us online on **Thursday 25 February 2021**,
from **6:30pm** to **8pm**.

This information event will be held on Microsoft Teams. Register
your attendance via hs2.org.uk/events

We look forward to meeting you.
