

Notification

Three days track-level works over Christmas

December 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

**24hour works over three days at Christmas:
00:00 hours 25th December to 04:00 hours 27th
December**

We wanted to give you some more information about the work we have planned for three days during the Christmas period. We will be carrying out sheet piling works at track level immediately adjacent to the Network Rail tracks. We can only work this closely to the track when the trains are not running and we need to complete the work in one go, so we have to make use of the longer closure that is possible over the Christmas period. We will be working between Mornington Street and Granby Terrace bridges. Sheet piling is a relatively quiet form of piling and we have selected equipment specially designed to be as quiet as possible, so we do not expect the works to be noisy.

**If you have a question about HS2 or our works, please
contact our HS2 Helpdesk team on 08081 434 434 or email**

Duration of works

25 to 27 December
2020

Working hours:

From 00:00 hours 25
December to 04:00
hours 27 December

What to expect

24/7 works during
railway closures over
Christmas

A crane and sheet piling
rig and some members
of staff will be on site

What we will do

Provide updates at
HS2incamden.co.uk

Throughout the works, we will have around 20 personnel and a large crane working in the area shown by the **red box** on the map. During hours of darkness, this area and an area near Granby Terrace Bridge will be lit. We will ensure the lighting is directed to avoid disturbance to local residents.

As the closure will cover the whole **area shown in purple** on the map, we will also take the opportunity to carry out track-level visual surveys of the Mornington Street bridge, to install monitoring equipment in the Park Street tunnels and to continue ground investigations. We will take all measures necessary to minimise the impact of our works on local residents during these additional activities.

On some days there will be a vacuum truck on site for maintenance purposes to extract any rainwater from the manholes within the sites. This is to avoid any risk of a flooded site over the Christmas period when the site is shutdown. The dates this will be in operation are: 24, 26, 29 and 31 December and 2 January.

We appreciate that undertaking works during the Christmas period is not ideal and we have taken every step possible to create as little disturbance as possible to residents.

During the Christmas closure Network Rail will also be undertaking works on the tracks, platform work and an engineering train will be in operation near the station.

For more detailed information on piling and what we are doing to minimise the impacts of our works, please refer to the SCS factsheet under *Works in your area* under Euston Approaches on [HS2incamden.co.uk](https://www.hs2incamden.co.uk).

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
