

Notification of utility works on Endsleigh Gardens

October 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites remain under constant review. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

The programme of utility works to the west side of Euston Station includes the laying of electrical power connection ducts and BT telecommunication ducts via North Gower Street across Euston Road, Gower Street and Gower Place finishing at Gordon Street. It also includes laying new Verizon ducts starting at Euston Road, through Gower Place, Endsleigh Gardens and finishing at Upper Woburn Place.

Endsleigh Gardens

From late October works will commence on Endsleigh Gardens between Gordon Street and Taverton Street for four weeks. The works will be carried out on the north side lane and the footpath, parking bays will be suspended, the south side footpath will remain open.

Further works on Endsleigh Gardens will include connection works across Gower Street with the ducts currently being laid down on Gower Place. Verizon will finalise works up to Upper Woburn Place. We will continue to notify you of further works on Endsleigh Gardens in due course. Please sign up to receive updates at www.hs2inCamden.co.uk.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk
