

Update: overnight surveys on railway tracks on 23 January 2021

Our recent notification advised that further surveys may take place near Adelaide Road during early 2021. You can find our previous notification [here](#).

We will be carrying out visual surveys on the Network Rail tracks overnight on 23 January 2021. The surveys will be completed between 8pm and 6am the following morning. The surveys will be completed during a railway track possession while trains are not using the tracks.

We will use localised task lighting and there is no machinery noise expected. These surveys should not be disruptive to you.

The dates mentioned in this notification may change due to unforeseen circumstances. We will provide updates about our works at [HS2incamden.co.uk](https://www.hs2incamden.co.uk)

For more information about HS2 please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
