

Update: works at Adelaide Road site on Saturday 20 February 2021

We previously advised that short-term lane closures and traffic management may be needed on Adelaide Road during early 2021. You can find the previous notification [here](#).

On Saturday 20 February, we will be carrying out works to move welfare facilities in our Adelaide Road site. These works will take place during our core working hours of 8am to 1pm. We may be on site for an hour before the start and/or end of working times.

To carry out these works safely, we will need to hold traffic on Adelaide Road for a short period. A short-term lane closure will be in place for up to one hour. We will use stop and go boards to keep traffic moving during this time.

The map below shows the location of this short-term traffic management.

The dates mentioned in this update may change due to unforeseen circumstances. We will provide updates about our works at [HS2incamden.co.uk](https://hs2incamden.co.uk). For more information about HS2 please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
