

Vehicle holding area update

November 2020 | www.hs2.org.uk

Notification

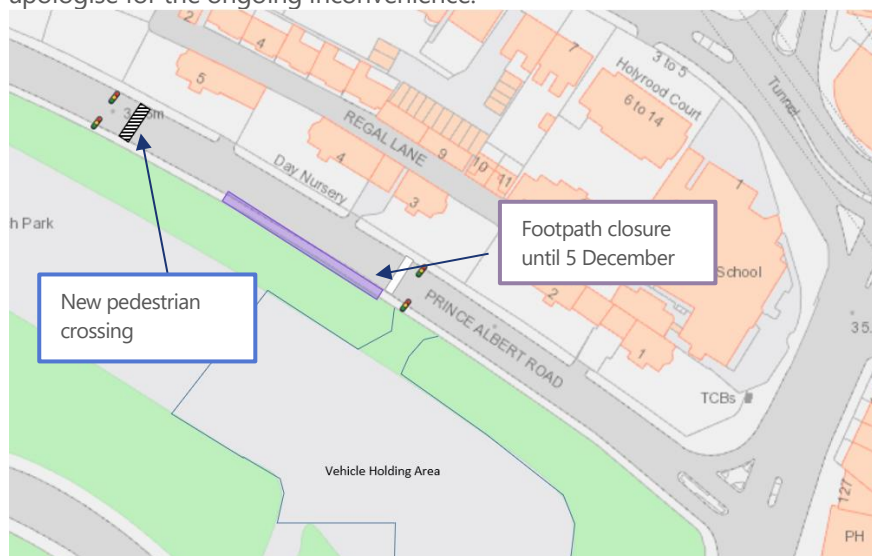

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured only sites that can operate within the guidelines are operational. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

High Speed Two (HS2) is the new high speed railway for Britain. We are building a vehicle holding area in the London Zoo car park to hold HS2 lorries so they avoid queueing at nearby worksites whilst making deliveries. The holding area will be operational from April 2021 until HS2 is complete.

Extended footpath closure – Prince Albert Road

We will remove the lane closure on Prince Albert Road on Saturday 28 November, following the completion of utility works. The south side footpath will remain closed whilst we finish construction of the access to the vehicle holding area, shown on the map below. Undertaking this work and extending this footpath closure now means we can avoid closing the footpath again later. We will complete the works on 5 December. We apologise for the ongoing inconvenience.

Duration of works

30 November 2020 to April 2021

Work hours: Monday to Friday, 8am to 6pm and Saturdays 8am to 1pm, if required

We may be on site for an hour before the start and at the end of each shift

What to expect

Extended footpath closure on Prince Albert Road

Site office portacabin deliveries early mornings 11-13 January 2021

Replanted verge in planting season

What we will do

Install site office

Complete parking surface and drainage

Plant about 500m of hedges within Regent's Park in late 2020 and early 2021

Provide updates at HS2incamden.co.uk

Please contact our HS2 Helpdesk team on 08081 434 434 or email with queries.

Vehicle holding area update

Recent and upcoming works

We installed a mammal tunnel under the future access so hedgehogs can safely travel along the green verge to the south of Prince Albert Road, avoiding the vehicle holding area. Re-planting of trees and shrubs along the verge will be undertaken in the planting season in early 2021, in line with guidance from The Royal Parks.

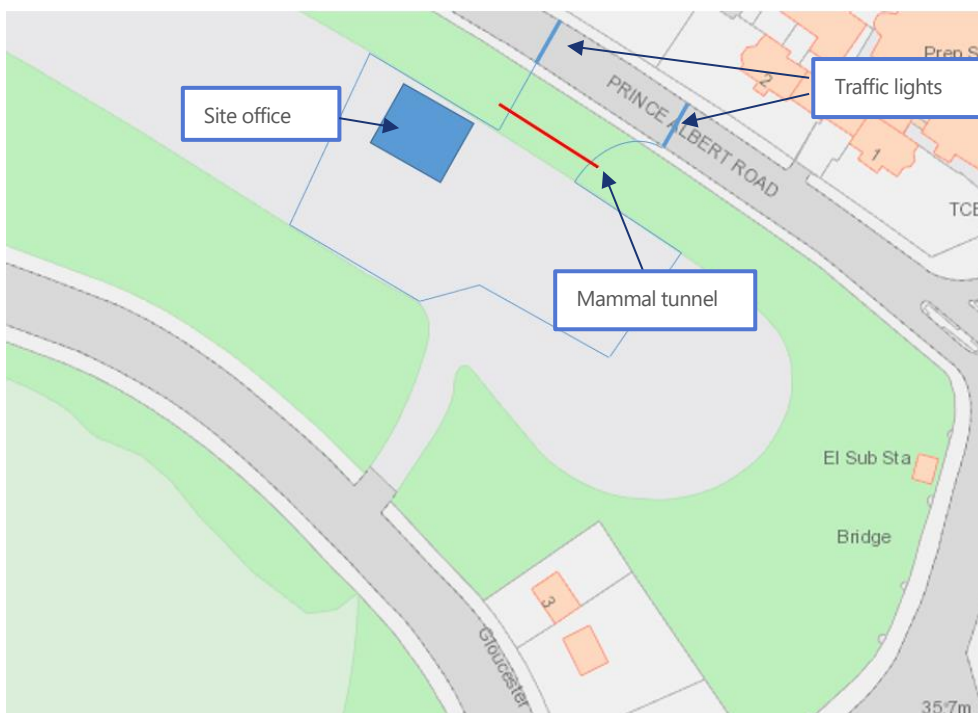

Between now and the end of January 2021, we will continue to install reinforced concrete slabs, drainage and ducting. We will also re-install hoarding along our site boundary on Prince Albert Road before the end of December 2020.

We will carry out road marking on Prince Albert Road and within the site in February 2021. TfL will install the traffic lights for the access off Prince Albert Road between February and March 2021. We will update you about these works closer to the time.

Site office – January 2021

We will install the site office from 11 January 2021. Portacabins will be delivered via three large loads, arriving early mornings between 11 and 13 January to avoid peak times.

It will take about a month to install and fit out the building. See map below.

Contact our HS2 Helpdesk team

Our Helpdesk team is based in our Head Office in Birmingham. This is so that we can provide you with the best service possible. Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:

residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
