Notice of night works on the Chiltern Line

November 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Being COVID-19 Compliant

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at www.hs2inhillington.co.uk

What are we doing?

We will be installing track monitoring sensors along the railway from West Ruislip to Harvil Road, shown on the map overleaf. This system will be in place to monitor settlement and twists in the railway tracks for the duration of the project. The equipment is self-powered, so no wires or cables will be required.

For the safety of operatives and rail users, the work will take place during a period where the Chiltern Line has no trains on the tracks for the safety of the operatives and rail users. We will be using hand tools so the noise from the works will be minimal.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

The works will take place on the mornings of **29 November, 13** and **20 December 2020** between the hours of 12.45am and 7.45am

We may be on site for an hour before and/or end of each shift

What to expect

We will use hand held equipment during these works

Any lights needed for work will face away from residences

The monitoring equipment will be left in place for the duration of our works

What we will do

Ensure there is no interruption to your utility services

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
