Notice of repair works on Breakspear Road South

February 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As part of the railway's construction we are continuing preparatory works within Hillingdon.

Repair works

We need to undertake repair works in the road on Breakspear Road South. These works consist of repairing water valve covers located on both the northbound and southbound lanes, outside the CSJV Gatemead compound on Breakspear Road South, the location is shown on the map overleaf. We will do the work on two separate weekends.

In order to carry out this work safely, it is essential that we undertake this work via a lane closure. We understand these works will affect road users and the local community and we apologise for the late notice.

Temporary traffic lights

We will require a single lane closure on the southbound lane and another on the northbound lane on Breakspear Road South which will consist of a three-way set of temporary traffic lights.

To minimise the impact to road users the lane closures are being undertaken during weekends:

The lane closures will be in place for two consecutive weekends

- **Saturday 29 February to Sunday 1 March 2020, southbound lane**
- **Saturday 7 March to Sunday 8 March 2020, northbound lane**

We will do our best to keep disruption to a minimum by lifting the traffic management as soon as the work is complete.

In case of any changes to these dates, updates will be available on HS2inHillingdon.co.uk and you can also sign up for news alerts.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From 29 February to 1 March 2020 and 7 March to 8 March 2020

Working hours are Saturday to Sunday 8am – 6pm

Our contractors may also be on site for one hour's start-up and shutdown.

What to expect

A single lane closure on the southbound lane then the northbound lane on Breakspear Road South with traffic lights.

What we will do

Your safety and the safety of those on site will be ensured.

Any changes will be updated on hs2inhillington.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
