Update: weekend road closure and fencing installation on Harvil Road

January 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. As part of the railway's construction we are continuing preparatory works within Hillingdon.

Fencing installation

We have rescheduled the fencing installation works we recently informed you about in early January 2020. We will be closing a section of Harvil Road in the early hours of Saturday morning, 8 February for three days and reopen at 5.30am Monday 10 February 2020.

We will remove a section of the existing temporary metal fence to the south of the Chiltern railway bridge and replace it with some new metal fencing. We need to remove some vegetation and trees along the verge in order to access the fencing to replace it. This is in preparation for works to build a new section of Harvil Road.

Weekend road closure on Harvil Road

A temporary full road closure will be in place whilst we carry out this work. A section of Harvil Road will close from the early hours of Saturday morning, 8 February for three days and reopen at 5.30am Monday 10 February 2020.

Please see the map overleaf for the exact location. We will be working throughout the closure including at night to reduce the disruption to the local community and road users.

We must ensure the safety of the public and of our workforce, so we are unable to carry out this work without a road closure. The majority of work will be undertaken overnight and at weekends in order to reduce the disruption to the local community and road users.

We encourage drivers to follow the advised diversion route (please see map overleaf). In case of any changes to these dates, updates will be available on HS2inHillingdon.co.uk where you can sign up for news.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

From the early hours of Saturday 8 February to 5.30am Monday 10 February 2020.

Working hours

Working throughout the closure times above

Our contractors may also be on site for one hour's start-up and shutdown

What to expect

A road closure on Harvil Road. Clearance of vegetation including trees to install hoarding and fencing.

What we will do

Keep you and site workers safe while the works take place. Access will be maintained for businesses near the road closure

Any changes will be updated on hs2inhillington.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
