# Notice of lane closure on Breakspear Road South

June 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk)

### What are we doing

We need to undertake vegetation clearance works to enable a footpath diversion adjacent to Breakspear Road South. on Wednesday 1 July 2020. We are sorry for the shorter than usual notice period for these works.

### Temporary traffic lights

We will require a single lane closure of the southbound lane on Breakspear Road South to safely undertake the vegetation clearance works on the southern side of the Chiltern line bridge, for 1 day.

A set of temporary 3-way traffic lights will be in place allowing traffic to flow safely during the lane closure.

To minimise the impact to road users of another lane closure, we have collaborated with Skanska Costain Strabag (SCS) who will also be undertaking work adjacent to Oak Farm, during our lane closure.

A map of the southbound lane closure is overleaf.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

Wednesday 1 July 2020  
between 8am – 5pm

Our contractors may also be on site for one hour's start-up and shutdown

### What to expect

A southbound single lane closure on Breakspear Road South.

### What we will do

Keep you and site workers safe while the works take place.

Ensure the traffic management is lifted as soon as work is completed.

Any changes will be updated on [hs2inhillington.co.uk](http://hs2inhillington.co.uk)

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.
