# Update: Hoarding work along the Network Rail Border

June 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2inhillingdon.co.uk](http://www.hs2inhillingdon.co.uk)

## Update: Activity along the border

We previously wrote to you in May regarding the installation of wooden hoarding between Ruislip Golf Course and the Chiltern railway lines. This is to ensure that the work site is both safe and secure. These works were postponed from earlier in June.

Preparatory works will take place during the day and then work on Network Rail land will take place during the night as this is the only time that the Chiltern line has no trains running. This night-time activity will only be the erecting of a solid timber hoarding along the entire length of the site. The placement of the hoarding is shown on the map overleaf.

All lights needed for work activity will be placed so that they face back toward the work compound and away from the residential properties.

The side of the hoarding facing the properties in The Greenway and Hoylake Crescent will then be painted a dark blue. This colour has been agreed with Network Rail who need to ensure that the red, amber, and green lights are visible to their driver's sight lines.

There will be a period where we will remove the part of the cutting. This will be behind our new hoarding line and will be done during the day.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

These works have been moved to a start date of 28 June and will last until 14 August at the latest.

Day time activity will happen between 8am and 6pm.

Night time activity will happen between 12.30am and 5.30am, except for Sunday when they will finish at 7.45am.

We may be on site for up to an hour before/after these hours to allow for preparation.

## What to expect

Placement of the posts will require an excavator to excavate the hoarding post foundations. All other activity will be using hand tools to minimise disturbance.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. [www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
