

# Update on utility surveys in Long Drive/Station Approach

April 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk)

## What we are doing - Ground Penetrating Radar

We will be carrying out utility surveys on Long Drive and Station Approach on the nights of 18-21 May. First, we will put small studs in the ground to set up the survey area. Then non-intrusive scanning equipment will be used to create a map of the utility services below ground and they will be marked out using biodegradable spray paint. We will use cameras to take site photos of the completed work.

## How this might affect you

A temporary lane closure will be in place for a very short period to protect staff carrying out the surveys. Some of the surveys will take place on the footway. You will still be able to travel and walk through the area but may be asked to wait for a short time. Your utility services will not be affected during the surveys.

If any parking restrictions are needed it will be indicated on road furniture in the area in the week before activity begins

The dates and locations for the survey could change and we may need to carry out further surveys in your area. To sign up for updates please visit [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk).

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Duration of works

From 18 May for three nights

The stud work will happen during the day and then the surveys at night

## What to expect

Mondays to Fridays 8pm to 6am (although the stud work preparation will happen during the day. We may be on site for an hour before the start and/or the end of the shift but please note that these works are very short in duration

Survey equipment includes tripods and trolley mounted vehicles

Temporary markings in the road/footway are completely harmless to the environment and will wash away

## What we will do

We will always provide access to your property

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
