Notice of overnight railway works near Harvil Road

June 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites.

You can sign up for regular updates in your local area at www.hs2inhillingdon.co.uk

As part of the preconditioning surveys for the HS2 high-speed railway we are carrying out monitoring to the rail system in your area.

What are we doing?

We will be placing some battery powered monitoring equipment onto sleepers within the area shown overleaf as well as solar powered monitoring equipment on short poles which will monitor to ensure our construction works do not affect the railway. As all the equipment is self-powered there will be no need for any wires or cables to be placed in the area.

The work will take place during a period where the Chiltern Line has no trains running for the safety of the operatives and rail users. The overnight work will take place during the hours shown on the blue panel. We will only use hand tools so the noise from the works will be minimal. To sign up for news alerts please visit the website above.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Working hours will be from 00.01 am to 7.45am on the 13th July.

We may be on site for an hour before and/or end of each shift

This work is taking place during a railway closure on the Chiltern Line.

What to expect

Only hand tools will be used during this work.

This monitoring equipment will be left in situ for the duration of our works

What we will do

There will be no interference to any of your utility services during this activity

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
