## Being COVID-19 Compliant

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

You can sign up for regular updates in your local area at [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk).

## What we are doing

We will be clearing vegetation at the end of the footpath (shown on the map below) to assist with further ground investigations in the area. This activity will need hand tools only to clear away brambles and ground foliage.
