

A425 Leamington Road, Southam, to re-open 31 July

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high-speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

Date confirmed for A425 re-opening

We can confirm that the A425 Leamington Road, Southam, will re-open on 31 July 2021, subject to final safety inspection.

Balfour Beatty Vinci will continue to have some traffic management in the area including a controlled plant crossing of the A425 between its works sites either side of the road. This crossing will allow the safe movement of construction vehicles, materials, and equipment across the A425.

Why we needed to close the A425 and what next

As part of our works to safely excavate a 15-metre deep trench and construct the 'cut-and-cover' section of the Long Itchington Wood Tunnel, we closed a section of the A425 Leamington Road near Southam in October 2020.

The work has been delivered by HS2's main works contractor for the area, Balfour Beatty Vinci (BBV). A significant amount of progress has been made at the site, enabling the road to be re-opened this Summer as originally planned.
