

Re-opening of A425 Leamington Road, Southam

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high-speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new high-speed railway in your area.

Progress update

As part of our works to safely excavate a 15-metre deep trench and construct the 'cut-and-cover' section of the Long Itchington Wood Tunnel, we closed a section of the A425 Leamington Road near Southam in October 2020.

The work has been delivered by HS2's main works contractor for the area, Balfour Beatty Vinci (BBV). A significant amount of progress has been made at the site, enabling the road to be re-opened this Summer as originally planned.

BBV will continue to work in the area and during 2022 will create a temporary diversion road around the site of the Long Itchington Wood tunnel south portal. The diversion road will allow BBV to complete the construction of the remainder of the 'cut-and-cover' section of the tunnel that will sit under the A425.
