

Long Itchington Wood utilities – road closures

January 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Road closures required

LM will be undertaking a series of road closures to carry out essential remedial and resurfacing works as a result of the Tunnel Boring Machine utility works.

Works will take place as follows:

- 29 January to 2 February - closing the B4452 between the A425 and Butt Lane.
- 3 to 4 February - closing Deppers Bridge B4452 between Butt Lane and Station Road.
- 5 to 6 February - closing Station Road B4451 between Deppers Bridge and Lakin Drive.

Access will still be maintained for households and businesses along the road and a clearly signposted diversion will be in place. All works are subject to consent, site and weather conditions. Dates may also change.

Please register at hs2inwarwickshire.co.uk to receive updates about works in your area and for up-to-date traffic information go to **one.network**.

HS2 and the COVID-19 outbreak

We are continually reviewing work on our sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works
