Notice of Auria construction works

December 2019 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by a joint venture between Laing O'Rourke and Murphy & Sons known as LM.

Construction works

We will be carrying out construction work to the rear of the Auria building in Coleshill. This work will take place between 21st December 2019 and May 2020. Due to the location of the works there will be minimal disruption to the surrounding area.

Why is this required?

These works follow some demolition work in the area necessary to pave the way for the main works, in preparation for the new railway to pass through the area.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
