Notice of temporary traffic lights on B4455 Fosse Way

November 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Drainage surveys on the B4455 Fosse Way

As part of the ongoing B4455 Fosse Way Highway works, LM will be carrying out drainage surveys on two sections of the Fosse Way at Offchurch from 14 to 18 December. To ensure the safety of all road users in the area, two-way traffic lights with a lane closure will be installed for the first set of surveys between Hunningham Hill and Long Itchington Road and thereafter on a section between Welsh Road and Southam Road, as indicated on the map below. All traffic management and survey works will be carried out between 8:00am and 5:00pm. All works are subject to consent, site and weather conditions. Dates are also subject to change.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434
