Emergency temporary traffic lights – Burton Green

January 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

LM needs to carry out essential repairs to a damaged chamber on Hob Lane in Burton Green. To save further traffic management a later date we will also complete trimming of the vegetation for the pedestrian crossing visibility splays. These works will require three-way temporary traffic lights with a lane closure to be installed on Hob Lane between 9:30am and 2:30pm. Works are planned to take place during week commencing 25 January for three days (please see map below).

Due to width restrictions on Hob Lane, there may be occasions where traffic is required to be halted in all directions for up-to 15 minutes to allow HS2 construction vehicles to access the worksite safely. Current traffic management on Red Lane will be lifted during these works and reinstated when works are complete. All works are subject to consent, site and weather conditions. Dates are also subject to change.

Further information about LM's work in the Burton Green area is available at hs2inwarwickshire.co.uk, where you can also sign up to receive updates on our work by email.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Week commencing 25 January 2021 for three days.

Subject to consent, site and weather conditions.

Our working hours

Weekdays between 9.30am and 2.30pm. We may be on site for up to one hour before or after to set up or pack up.

What to expect

Potential noise from machinery during our working hours.

Potential traffic delays in the area.

What we will do

Keep one.network and hs2inwarwicks up to date with any changes.

Maintain access to properties in the area.

behalf of

HS2

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:

complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain

Contact Us

If you have any questions about this notification of works, please get in touch.
