Notice of temporary traffic lights on B4115, Ashow

November 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are now underway in your area, carried out by LM – a joint venture between Laing O’Rourke and J. Murphy & Sons.

LM will set up temporary traffic lights on B4115 Ashow Road to create safe working zones while we restore white lines on the road, following our recent work in the area. These signals are due to be along Ashow Road and to/from our work compound from **10 December until 11 December** between **9:30am and 3:30pm**. Access to properties and businesses will be maintained.

HS2 and the COVID-19 outbreak

We are continually reviewing work on our sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government’s current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
