

Notice of temporary closure of Cryfield Grange Road

February 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Works planned near the Crackley

Over the coming months, we'll be working near Crackley to construct a bellmouth road entrance to better access our work sites along Cryfield Grange Road. This will allow for the construction of new habitats for wildlife along the length of HS2 contributing to the creation of a 'green corridor'.

We will need traffic management

LM will be temporarily closing a section of Cryfield Grange Road to vehicle traffic in order to construct the bellmouth entrance to our work sites to the south of the road. This will help to create a safe working area for our workers and the general public.

The closure will be in place between **9:30am and 3:30pm** during the week of **17**th **February**. While this section of road is closed, a diversion route will be in operation along Crackley Lane and the A429. Please be aware that the ongoing closure of Bockendon Road is still in place.

Pedestrians, cyclists and horse riders will still be able to use the roadway while the closure is in effect. Traffic Marshalls will escort non-motorised users safely through the works if required.

Why we are doing this work.

We need to prepare as much of the route as possible over the coming months. This will ensure that our main construction work can commence on time.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

HS2 offers two funds that are available to local communities and businesses in Birmingham and the West Midlands, to help with any disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

About our 'HS2 in Warwickshire' website

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us to keep you up to date about the progress of the project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our dedicated website for the Warwickshire area is available at: hs2inwarwickshire.co.uk

On this website, you can also sign up to receive regular news alerts of work happening in your area and see the list of upcoming events offering you the opportunity to meet with HS2.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner The

Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 <u>route</u>.
