Notice of vegetation clearance in field off Faraday Avenue, Coleshill

February 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are writing to make you aware of the next stage of work that will be undertaken by Western Power Distribution that is related to HS2.

What are we doing

To construct the railway, it is necessary to remove some hedgerows to allow future electricity cable removal and installation.

We will be working in a field located between Lichfield Road and Hams Lane, off Faraday Avenue to remove two 12m hedgerows.

How will this affect me?

The works will be done by hand with no large machinery, so there will be little or no disruption to traffic in the area.

The working hours for this will be **9am to 4pm**

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
