

Notice of pipeline diversion works near Dalehouse Lane, Kenilworth

February 2020 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To facilitate HS2's construction and to continue to ensure a safe and reliable gas supply, Cadent needs to move an existing gas pipeline south of Dalehouse Lane, Kenilworth.

We will be starting main work to move this pipeline in April 2020 and expect our work to be completed by the end of 2020. We will keep people up to date as our works progress.

What are we doing?

Before we start work to move the pipeline, we need to remove some vegetation on land either side of A46, south of Dalehouse Lane, starting in mid-February 2020.

We look to avoid removing vegetation wherever possible. In this case, we cannot divert the pipeline without doing this. We have carried out an assessment to minimise the amount of vegetation that will be removed.

Appropriate ecological surveys have been undertaken prior to any vegetation clearance being carried out, and our ecologist will be present throughout the activity to ensure there is no disruption to birds and local wildlife.

Our working area is on both sides of the A46. Construction vehicles will access the site from Dalehouse Lane and B4115.

How will this impact you?

All clearance works will be undertaken using standard industry methods. This means there may be some noise as we carry out the work, however, this will only be for a few hours.

The vegetation clearance will take place within our normal working hours.

We're sorry for any disruption caused while we carry out this work.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of vegetation clearance work

- Mid-February 2020 until the end of March 2020
- Our core working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Removal of vegetation on land south of Dalehouse Lane and south of A46, near Kenilworth
- Construction vehicles will not access the working area from A46
- All work will be carried out within our normal working hours

What we will do

- Keep all sites safe and secure
- Inform people in advance of any changes

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:
<https://hs2.commonplace.is/>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting: www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
