Healthy Route - Public Realm Works

Loughborough Road/Fiveways Junction/Near Minet Road and Near Barrington Road

Dear Resident/To Whom It May Concern

Lambeth Council via our framework contractor Ringway, will be undertaking public realm improvements to deliver a flagship Healthy Route along:

Loughborough Road, between Ridgway Road and Fiveways junction inclusive (junction of Loughborough Road, Fiveways Road, Lilford Road and Akerman Road). The scheme aims to provide a safe, accessible and pleasant route for people walking, cycling, wheeling and using the bus. To find out more details of about the scheme visit ljstreets.commonplace.is/.

Details of the works

Proposed improvements include:

- New and upgraded raised pedestrian and cycle parallel zebra crossings to enhance and improve pedestrian and cycling safety.
- A continuous cycle track on each side of Loughborough Road (between Fiveways Junction and Ridgway Road), protected using traffic wands to provide light segregation.
- Buildouts widened footways and continuous level footways to create more pedestrian space and prioritise pedestrians crossing the road.
- Bus stop bypasses and shared use bus stop boarders (SUBBs) to ensure that cycles and buses do not interact at bus stops and bus times are unaffected.
- Additional pedestrian and cycle safety features at Fiveways junction, including cycle gates with low level advanced release signals, “two stage right-turns” to enable cycles to cross in two stages, a banned turn to reduce vehicle turning movements.
- Approximately 8,000m² of carriageway resurfacing.

Phasing and timings of the works

Works will be carried out in phases over approximately 24 weeks from 12th June 2023 to 30th November 2023, including carriageway resurfacing. Due to the nature of the works, the dates for the various phases of work are subject to change.

This letter concerns the Civils Works which is to be carried out from 12th June to 30th November 2023, following which carriageway resurfacing works will take place, a further follow up letter in relation to those dates will be sent nearer the time.

- The programme of the civils works is shown below in Table 1.
- From 08:00 to 18:00hrs Monday to Friday
- From 08:00 to 14:00hrs on Saturdays

An updated letter for the carriageway resurfacing works and associated traffic management plans will follow in due course.

The 9 Work Phases are tabulated below, working Areas per phase are shown in Appendix A.

Work Phase	Roads Affected	Planned Start Date	Approximate Duration
Phase 1 Civils –	Southern end of Akerman Road closed. Western End of Lilford Road closed	12 Jun 2023	3 weeks
Phase 2 Civils –	Southern end of Akerman Road closed. Western End of Lilford Road closed	3 July 2023	3 weeks
Phase 3 Civils –	No Road closure.	24 July 2023	2 weeks
Phase 4 Civils –	No Road closure.	07 August 2023	3 weeks
Phase 5 Civils –	Service Road to be closed.	28 August 2023	2 weeks
Phase 6 Civils –	Southern end of Minet Road closed to near junction with Rupert Gardens.	12 September 2023	2 weeks
Phase 7 Civils –	Western end of Barrington Road closed to near junction with Featley Road and junction with Loughborough Road.	26 September 2023	1 week
Phase 8 Civils –	Western end of Barrington Road closed to near junction with Featley Road and junction with Loughborough Road.	3 October 2023	2 weeks
Phase 9 Civils –	Western end of Barrington Road closed to near junction with	17 October 2023	1 week

	Featley Road and junction with Loughborough Road.

Things to Note:

There will be road closures during each phase of works, where vehicular access will be prohibited across the work site(s). Residential access will remain.

Your co-operation is essential – please do not park in the areas affected by the proposed works. Warning signage, diversion signs and barriers will be installed in the areas affected. This will require no vehicles to be parked in the road within the working and safety zones, as indicated by cones and suspension signs. **Any obstructing vehicles will be relocated to nearby spaces/roads.**

If you have any special requirements or need to arrange access for people with disabilities, please contact us on the email addresses provided below.

Contact us

We are committed to deliver an efficient, safe project and to keep our customers informed throughout. Our teams are always happy to answer questions about our work.

If you have any concerns on the **new proposals, scheme specific issues** or exemptions please contact **Lambeth** Healthy Routes on the number or email address below.

Sincerely

Neela Ajithkumar
