Housing

Assistant Director – Robbie Erbmann

Haringey LONDON

Date: 16 August 2023

Our ref: Partridge Way

Dear Resident

New council homes at Partridge Way

As you may be aware, we have received planning permission to build 23 new council homes on the corner of Partridge Way and Trinity Road (N22 8DW). In addition to the new homes, the council will also be planting new trees, adding green landscaping to the area and building a new play space for the local children. This housing scheme is part of the borough's ambitious home building programme aimed at delivering a new generation of council homes for the local community, with 3,000 new council homes set to be built by 2031.

<u>Update from the Contractor Event</u>

We are keen to ensure that residents are kept fully informed about the progress of the works on the site. As part of this approach, we will be holding an **'Update from the Contractor' event on Thursday 21 September 2023** to meet the team. The event will also provide you with the opportunity to discuss the development and ask us any questions you may have about the upcoming works. The details of the event are as follows:

Venue: **Newbury House, Partridge Way, London, N22 8DX – Community Room (behind the concierge office)**
Date: **Thursday 21 September 2023**
Time: **5.30pm - 7.00pm**

Water supply works

Thames Water have commenced works on this site to put in place water supplies for the new homes. The duration of these works will be around three weeks and should be completed by the end of August 2023. Thames Water will be working on the side of the road of the site where the contractor has their loading bay. The road will not be closed but a one-way system will remain in place. The new supply works will involve the drilling of concrete to lay new water pipes.

For further information about these works, please use the following QR code:

Naming the new council homes at Partridge Way

We believe it is important to give our new council buildings fitting names that represent the very best in our community. We are proposing to name the new council home block after the late Dr Aaron Gayle, a well-known member of the local community who lived in the area and sadly passed away in 2020.

For further information about the building works:

Details about the building works, including contact information and the expected timeline, can be found at: partridgeway.commonplace.is/ Alternatively, you can access the information by using the following QR code:

You can find out more information about Haringey Council's ambitious plans to build 3,000 new council homes in the next decade at:
