USEFUL INFORMATION

Controlled Parking Zones

Residents are welcome to apply for a controlled parking zone (cpz) permit to park your vehicle on street through Haringey Council's Parking service. Below is the link for further information and guidance about the application process:

www.haringey.gov.uk/parking-roads-and-travel/parking/parking-permits/need-resident-parking-permit

This site will also be able to give you information on obtaining Visitor Permits. If you only need visitor permits you will still need to register with the Haringey's Parking Service first. To apply for visitor permits please visit **www.haringey.gov.uk/parking** where you will be asked for your Council Tax reference number. If you do not have that available, you will need to attach a document showing proof of your address.

The Parking service aim to complete your registration for visitor vouchers within five working days and will provide you with the unique login details that will let you purchase visitor vouchers online at any time in the future. Resident parking permits and visitor permits purchased online will be sent by post within five working days of the transaction date.

Blue Badge Holders

The way you can use a Blue Badge or Companion Badge is not changing at present. Both of these will still be recognised and are valid when displayed in the windscreen of the vehicle, in a resident only, residents shared use, permit holder only, or a standard disabled parking bay.

In response to parking pressures in the Borough and disabled residents finding it difficult to access disabled parking bays, the Council introduced a dedicated disabled parking bay scheme in January 2020. A dedicated disabled parking bay which is for the exclusive use of one vehicle will be installed at the request of residents who meet the established criteria.

For further information, please visit the Council's website at **www.haringey.gov.uk/parking-roads-and-travel/parking/dedicated-disabled-parking-bay**
