

Hello!

We're so excited that you are joining in at home with learning about our great God.

Last week we saw how God judged the world by flooding the whole world, but in his kindness, he saved Noah & his family. Today we'll see that not long after the flood, the people were once again rebelling against God.

## WHERE WE'RE GOING

**Big idea** – The whole world stands together to make themselves great. God punishes sin by confusing their language.

**Aim:** to show that all people, everywhere want to be more important than God.

## HOW WE'RE GETTING THERE

## Game

Play a game of charades. Take it in turns to choose a book, film or TV programme, and act it out to the rest of the players without speaking.

How easy was it to guess what was being acted out when you didn't have a shared language?

## Prayer

Dear Father God, thank you for all that you give us. We are sorry that we often ignore you and think that we are the most important. Please forgive us, and help us to remember you in all we do. Amen

## Discuss & Apply

Chat together about the Bible story.

### *Did you spot it?*

- What were the people trying to do?
- Why did God confuse their language?
- What happened when they couldn't understand each other?

### *Think spot*

- What things might you be tempted to think make you great? Your sportiness? Your cleverness? Your kindness?
- What plans do you have for tomorrow, next week, next year? What might remembering God in all you do look like as you make plans?

## Activity Ideas

**Make it** | Build a tower (or more than one), using whatever materials you like. How about.... Lego/Duplo? Jenga bricks? Cardboard boxes? Paper cups? Tin cans? Marshmallows & cocktail sticks? Or you could build a tower on Minecraft.

**Learn it** | Use an online translation tool to find out how to say 'God is great' in different languages. If you use Google Translate, you can hear how to pronounce it as well as seeing how it is written.
