

Documentation required to complete the Associate Network Clinic Self Audit Form

This self audit form is based on the CSP clinical quality assurance standards audit minimum recommendations and therefore should be straightforward to complete.

The following information/ documents will be required to complete the form:

- Demographic information for all the clinics you wish to register
- Specialities and treatments offered by the clinicians
- Names, CSP and HCPC numbers of the clinicians who wish to treat FitBack Physiotherapy referrals
- A list of the clinics policies and procedures
- Knowledge of the clinics audit policies
- A copy of the clinics Public Liability Insurance certificate (this will need to be uploaded to the site)
- If applicable a copy of Employers Liability Insurance certificate (this will need to be uploaded to the site)
- A photograph of the front of the clinic building and a photograph of a clinic room (These will need to be emailed separately following completion of the form to clinics@fitback.co.uk)

We hope this information is helpful. If you have any queries prior to filling in the form please email FitBack at clinics@fitback.co.uk
