- Custom trimmed front fender

KEY FEATURES

The original icon of fat custom styling, the Fat Boy® rolls with stature second to none.

The Softail® rear suspension mimics the clean lines of a vintage hardtail frame but offers the comfort of a modern suspension that is hidden under the chassis. The rigid powertrain allows tight packaging of the engine and frame and creates a solid connection between the rider and the power that moves the motorcycle.

- Rigid-mounted, counter-balanced Twin Cam 96B™ V-Twin engine with Electronic Sequential Port Fuel Injection (ESPFI)
- 6-Speed Cruise Drive® Transmission
- Horseshoe oil tank
- Five-gallon fuel tank
- Optional Harley-Davidson® Smart Security System with hands-free security fob
- Optional Mirror-Chrome Bullet Hole Disc Cast Aluminum wheels
