- Low profile front fender
- Sport wrap-around rear fender with painted supports
- One-piece, two-up Dyna classic seat
- Stainless steel, mini pull-back handlebar
- Chrome low-profile tank console with electronic speedometer

### KEY FEATURES

For riders who want a little head start on building their dream custom motorcycle – or those who just want a little more ‘bling’ straight from the showroom floor – the Dyna® Super Glide® Custom model may be the perfect bike.

This stylish performer's long, low profile is enhanced by a low-slung, two-up ribbed seat. Steel Laced wheels and the Fat Bob® fuel tank add to the classic look. A mini pull-back handlebar creates a clean look for the front end, which draws attention to the tank-mounted speedometer/ignition console. And thanks to the nimble frame, Twin Cam 96™ engine and smooth-shifting 6-Speed Cruise Drive® gearbox, the Dyna® Super Glide® Custom is just plain fun to ride.

- Rubber-mounted Twin Cam 96™ V-Twin engine with Electronic Sequential Port Fuel Injection (ESPFI), rated at 92 ft. lbs. of torque
- 6-speed Cruise Drive® transmission
- Exposed under-seat battery box
- Exposed rear coil-over shock absorbers
- Mid-mounted rider footpegs with brake and shift levers
- Optional Harley-Davidson® Smart Security System with hands-free security fob
- Optional Chrome Aluminum Profile laced wheels
- Optional Original Equipment Custom Color paint program
