KEY FEATURES

Ever since its introduction in 2007, the Nightster® model has prowled the streets with a deep, menacing growl. Low, dark and aggressive, it brought a styling attitude to the Sportster® family that had not been seen before – a raw, Dark Custom™ bike that delivers a 1200cc knockout punch.

Chopped front and rear fenders. Side-mounted license plate. Combined stop/turn/tail lights. Low 25.3-inch seat height. Old-school front fork gaiters. Raw-boned graphics and a unique finish on its V-Twin Evolution® engine. And just for good measure, black throughout. With its gritty, no-nonsense look, the Nightster® model is the motorcycle for those who want Sportster® performance coupled with an attitude you don't normally find on such a nimble machine.

- Evolution® V-Twin powertrain with Electronic Sequential Port Fuel Injection (ESPFI)
- Rubber-mounted powertrain to reduce vibration
- 5-speed transmission
- Dual staggered exhaust
- Handlebar-mounted electronic speedometer
- Disc brakes
- Mid-mounted foot controls
- Optional Harley-Davidson® Smart Security System with hands-free security fob
- Optional Original Equipment Custom Color paint program
