- Black mirrors, rear shocks and controls
- Black frame
- Two-piece, two-up textured seat
- Contrasting racing stripe paint scheme

### KEY FEATURES

Styled for performance-minded enthusiasts who like a blacked-out, no-hassle ride, the Night Rod® Special model takes the VRSC™ family on a sinister trip down a dark alley. It features black wheels, black frame, black fork lowers, triple clamps, swingarm, racing stripes on the airbox cover and a color-matched speed screen visor.

What makes it a true member of the VRSC family are things like the aggressive, drag-inspired riding position, the amazing power of the liquid-cooled Revolution® engine and the distinctive sound and feel that only Harley-Davidson can provide. An ultra-wide 240mm rear tire, Brembo® performance brakes with optional ABS, and race-inspired assist and slip clutch are part of the Night Rod Special package.

- High-performance Brembo® triple-disc brakes
- Race-bred clutch with "slipper" action helps ease drive train effort during downshifting
- 240 mm wide rear tire
- Forward-mounted footpegs and controls
- Round reflector-optic headlight
- Electric power accessory connector under seat
