KEY FEATURES

The popular Street Glide® model, tuned up, tricked out and packed full of serious power and radical style, gives you the 2012 CVO™ Street Glide®. Loaded with chrome, attitude, amenities, including a custom two-piece solo FL seat and detachable pillion and a dynamic audio system with an integrated iPod and eight custom speakers driven by an additional 400 watts of audio power, the CVO Street Glide boasts a low, lean profile, aggressive look and fresh, custom-styling ideas, making it a true hot-rod bagger.

The CVO Street Glide is built on the innovative Harley-Davidson Touring chassis, based on a single-spar, rigid backbone frame and swingarm developed to withstand the demands of long-haul touring riders.
