- 4.7-gallon Street Bob fuel tank
- Stainless steel, mini ape-hanger handlebar on pull-back riser
- Security Package Option bundles Anti-lock Braking System (ABS) with Smart Security System with proximity-based, hands-free security fob

### KEY FEATURES

The Dyna® Switchback is custom touring motorcycle with detachable hard saddlebags and quick-detach windshield. Remove those components in just seconds to turn the Switchback into a custom street cruiser. Chassis, suspension and tires are engineered to deliver light, confident handling.

The Switchback is the lightest custom touring motorcycle in its displacement category. Its styling evokes a classic proportion and clean, straightforward lines. The bend of the mini-ape handlebar and its pull-back riser combine with full-length rider footboards and a two-up touring seat to offer most Switchback riders all-day comfort.

- Rubber-mounted Twin Cam 103™ engine with 103-cid (1690cc) with Electronic Sequential Port Fuel Injection (ESPFI) is rated at 100 ft. lbs. of torque at 3500 RPM
- 6-Speed Cruise Drive® transmission
- Exposed under-seat battery box
- Exposed rear coil-over shock absorbers
- Security Package Option bundles Anti-lock Braking System (ABS) with Smart Security System with proximity-based, hands-free security fob.
