- Showa® fully adjustable rear shock absorbers and Showa big piston front forks
- Nissin® dual front brakes feature 292mm full-floating rotors and four-piston calipers
- Wide, low-rise handlebar

KEY FEATURES

Drawing inspiration from Harley-Davidson's legendary race history, the XR1200X™ model takes that performance and style off the track to give riders the finest, street-legal roadster around.

Wrapped around a high-torque, 1200 cc Evolution® engine, Michelin® Scorcher® tires, and fully-adjustable, high-performance Showa® suspension, the XR1200X™ is a meticulously honed machine with premium handling and a commanding riding position that leaves the rider with a feeling that can only be described as “aggressive fun.” Bold, racing heritage, perfectly tuned for road performance, the XR1200X™ stands out like no other Harley® model to date.

- Michelin® Scorcher® “11” tires designed specifically for the XR models
- Gloss Black, 3-spoke lightweight Cast Aluminum wheels with orange highlight, 18-inch front / 17-inch rear
- Compact instrument display with white-faced analog tachometer, digital speedometer, dual trip meter and clock
- 3.5-gallon fuel tank with aircraft-style aluminum alloy fuel filler
- Optional Harley-Davidson® Smart Security System with hands-free, proximity-based security fob
