- Black powder-coated engine with black covers
- Blacked-out frame, handlebar, front fork, triple clamps and covers
- Racing stripe on airbox and tail section
- Sport front fender with painted brace supports
- 240 mm wide rear tire

KEY FEATURES

The restyled Night Rod® Special features a new tapered tail section, lighter-weight wheels, and improved ergonomics with reduced reach to both the rider footpegs and handlebar. Inverted front forks and retuned rear suspension enhance ride and handling. This is a blacked-out, dark and sinister power cruiser that's at home in a back alley.

- Rubber-mounted, liquid-cooled 1250cc Revolution® V-Twin engine with dual overhead camshafts, four-valve cylinder heads and Electronic Sequential Port Fuel Injection (ESPFI); 125 hp @ 8,250 rpm; 85 ft. lbs. torque @ 7,000 rpm
- Race-bred clutch with "slipper" action helps ease drive train effort during downshifting
- 5-speed transmission
- High-performance carbon-fiber drive belt.
- Brembo® triple-disc performance brakes
- Michelin® Scorcher® radial tires
- Round reflector-optic headlight
- Electric power accessory connector under seat
- Security Package Option bundles Anti-lock Braking System (ABS) with Harley-Davidson® Smart Security System with proximity-based, hands-free security fob
