

# XL SPORTSTER® 1200 CUSTOM

## 2013 FACTS & FEATURES

### MODEL HIGHLIGHTS

**NEW** 110th Anniversary Edition includes exclusive Anniversary Vintage Bronze/Anniversary Vintage Black paint scheme, solid bronze 110th Anniversary tank medallions, solid bronze air cleaner cover trim ring, chrome-plated timer cover with cloisonné insert, chrome-plated derby cover with forged solid bronze trim ring, serialization badge, and H-D® Smart Security System

**NEW** Paint color options

- Black side covers to match bodywork finish
- Chrome, 5-spoke cast aluminum wheels front and rear
- Michelin® Scorchers® “31” tires
- Wider fork spacing and polished triple clamps
- Reshaped classic Sportster “eyebrow” over the headlamp
- Taillight is smaller and has a new shape with a bright, low-maintenance LED element
- Front suspension rates are re-tuned to match the new tire/wheel combination. 39 mm front fork with 30 degrees rake.
- Pull-back handlebar mounted on a curved riser incorporates an LED warning light display
- Polished forward foot controls
- Two-up seat is standard with 26.5 inch laden seat height
- 4.5-gallon fuel tank offers long riding range
- Powertrain finished in black powdercoat with chrome covers

### KEY FEATURES

A beefy front end, wide triple clamps, big fat tires on Chrome 5-spoke Cast Aluminum wheels; the Sportster® 1200 Custom combines all the agility and kick of a Sportster® model with the big, fat attitude of a custom cruiser.

Clean styling lines, chrome trim and eyebrow and a stylized LED taillight combine with a fat, strong stance to give the 1200 Custom an “in-your-face” presence. The front-end suspension and geometry work together to provide truly balanced handling. And, with the H-D1™ factory customization process, customers can personalize their 1200 Custom with seat, handlebar, foot control, wheel, security, paint and engine finish options straight from the factory. The Sportster® 1200 Custom proves, once again, that NO ONE does fat custom like Harley-Davidson.

- Evolution® V-Twin powertrain with Electronic Sequential Port Fuel Injection (ESPFI)
- Rubber-mounted powertrain to reduce vibration
- 5-speed transmission
- Dual staggered exhaust
- Disc brakes
- Handlebar-mounted electronic speedometer
- Optional Harley-Davidson® Smart Security System with hands-free security fob
