- Polished headlamp visor

KEY FEATURES

The SuperLow® is easy to own and fun to ride. Balanced and responsive handling help rider and machine glide through corners with smooth confidence.

The combination of wheel size, radial tires and front-end geometry contribute to outstanding maneuverability. The final drive ratio is matched to the rear wheel size to provide smooth acceleration. Generous rear-suspension travel, a deeply cushioned seat and easy-reach handlebar offer outstanding comfort. A low seat height, the broad V-Twin powerband and clean styling complete a package that will make the SuperLow appealing to many riders.

- Evolution® V-Twin powertrain with Electronic Sequential Port Fuel Injection (ESPFI)
- Rubber-mounted powertrain to reduce vibration
- 5-speed Transmission
- Dual staggered exhaust
- Disc brakes
- Mid-mount foot controls
- Handlebar-mounted electronic speedometer
- Optional Harley-Davidson® Smart Security System with hands-free security fob
