- Deep, drag-style two-up seat

### KEY FEATURES

The fast, powerful and aggressive V-Rod Muscle® motorcycle is built for riders who want a little extra beef with their horsepower.

Big meaty air scoops, muscle-bound mufflers, 240 mm rear tire, fastback-style tail section and massive airbox compliment the power of the 1250 cc liquid-cooled Revolution® engine. Ride the V-Rod Muscle™ and you'll learn the true definition of "power cruiser." This brawny beast is for performance enthusiasts who crave power and control, with a dash of intimidation, in a package that is all Harley-Davidson.

- High-performance Brembo® triple-disc brakes with available ABS
- Race-bred slip and assist clutch helps ease drive train effort during downshifting
- 240 mm wide rear tire
- Forward-mounted footpegs and controls
- Teardrop reflector-optic headlight
- Electric power accessory connector under seat
