

ANNEX B – STATEMENT FROM KAHOOTZ IN RELATION TO LAW COMMISSION STAKEHOLDER DATABASE

1.1 The main points are:

- Kahootz is the data processor
- Our clients are the data controller
- The rights of individuals can easily be dealt with by a Workspace Manager or Site Owner, by modifying or deleting data or use accounts as appropriate.
- The service is secure. We undergo an annual CHECK test, then organisation is accredited to ISO27001, Cyber Essentials+, and all staff are vetted to BS7858 standard

1.2 Our subcontractors are Memset (the data centre) and Tiger Computing (LINUX support specialists), both of which will also be GDPR compliant.
