

Alumni Newsletter | April 2025

The latest updates and insights from Learna | Diploma MSc.

Dear applicant,

Welcome to your April Alumni Newsletter!

Spring is here, bringing fresh beginnings - including the start of our new September 2025 intake! But before we look ahead, let's take a moment to celebrate how far Learna has come since January. In this newsletter, we're excited to share the launch of three brand-new programmes, an update on the faculty fund, and we will share inspiring graduate stories. Seeing them might make you reflect on your own post-graduate journey and just how far you've come since then! Plus, we'd love to hear where your career has taken you since graduating. And don't forget, you're always part of our community - with an exclusive alumni discount waiting for you whenever you're ready to return.

New PGCert in Lifestyle Medicine

Our online, part-time Postgraduate Certificate in Lifestyle Medicine can be completed in just 6 months and is designed to deliver up-to-date insights into the principles of lifestyle medicine, and skills to prevent, treat, and manage chronic diseases, also known as noncommunicable diseases (NCDs). This multidisciplinary course encourages collaborative learning and the exploration of real-world applications, fostering a

global understanding of health challenges and solutions.

New PGDip and MSc in Orthopaedics

Orthopaedics is a specialty where one intervention can completely transform a patient's quality of life - whether it's treating a fracture or performing a hip or knee replacement. The UK is at the forefront of orthopaedic innovation, and our cutting-edge course reflects that. Covering everything from paediatrics and spinal conditions to upper and lower limb trauma, it provides structured, high-quality education to help you specialise in musculoskeletal medicine and physiotherapy.

Faculty Fund: Now Live

We're excited to share that the Faculty Fund is now live! To recap, this initiative provides financial support to healthcare professionals worldwide, helping to break down barriers to postgraduate education. As a valued member of our alumni community, you have the opportunity to be part of this mission. If you'd like to contribute and support aspiring healthcare professionals, you can make a donation at any time. Every contribution, big or small, makes a real impact.

Celebrating Alumni Success

We love celebrating the achievements of our alumni, and this month, we want to highlight Donna Wigmore, Dr. Nurul Azraa Binti, and Marc Woods incredible journey. [Dr. Nurul Azraa Binti](#) successfully balanced running her own clinic, raising five children, and completing her studies - a remarkable strength of dedication and perseverance. Meanwhile, [Donna Wigmore's](#) hard work and commitment to professional development led to a well-earned promotion in her career, just days after graduating. Their stories are a testament to the power of lifelong learning and the doors that postgraduate education can open. A huge congratulations also to [Marc Woods](#), whose research has recently been published in a prestigious academic journal! His paper contributes valuable insights to his field, and we couldn't be prouder of his accomplishment. Seeing our alumni push boundaries and add to the global knowledge base is truly inspiring.

Stay tuned for more alumni success stories in future newsletters!
