- Lifetime ceramic guarantee*

Description:

Designed specifically for medical settings to meet the specific requirements outlined in HBN 00-10 part C. The basin is equipped with a constant outlet and no tap holes. The basin's features also includes a raised lip around the tap deck, strategically placed to assist in the prevention of water spillages, an ideal feature in medical environments, where cleanliness and hygiene are of paramount importance.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects. Full information on guarantees available upon request.
