Description:

Now available with a touch free sensor for additional hygiene. A distinctive offering from Atlas. The rimless element of the pan results in easy cleaning and added hygiene, while the short projection means it can also be installed into smaller spaces. This pan retains full usability despite its compact dimensions of just 619mm in depth.

Special notes

Pan fixes to floor using side fixing bracket supplied with pan.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects.
