Description:

This comfort height round WC is a modern designer toilet with an additional 50-60mm of height above a standard toilet, making it more comfortable to use. As well as comfort height this WC is also short projection at just 615mm depth.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects. Full information on guarantees available upon request.
